

Remois Barrier

Water-Shedding Skin Care Cream

Moisturizing barrier
protects the skin
by waterproof function

- Good water repellency
- Contains moisturizing ingredients
- pH buffer capacity
- Non-sticky and refreshing feeling

1 A water-repellent protective film protects the skin from dirt and external stimuli.

2 pH buffering ability with weak acidity relieves irritation and protects the skin.

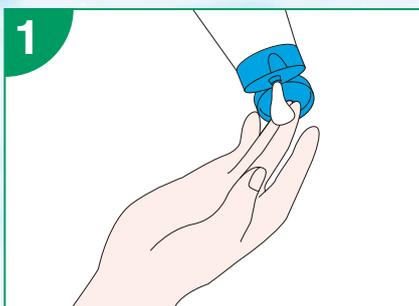

3 Keeps moisture and smoothness for fragile skin by containing moisturizing ingredients.

Remois Barrier
